

# STORYTELLING YOUR DATA

with Dr. Bahby Banks

What is your organization's mission?

---

---

---

What existing data does your organization have?

QUANTITATIVE

---

---

---

How can you "storytell" this data?

QUANTITATIVE

---

---

---

What programs do you offer to achieve this mission?

•

•

Why do you offer these programs?

*(What changes do you anticipate?)*

•

•

QUALITATIVE

---

---

---

QUALITATIVE

---

---

---

 Additional data?

---

 Additional ways to storytell?

---
