

**BUILD CAPACITY.
ENCOURAGE INNOVATION.
FOSTER CHANGE.**

Located just minutes away from Research Triangle Park, North Carolina, Pillar Consulting offers a variety of research and evaluation services to non-profit, academic, and philanthropic organizations. Our support offers leadership in these organizations evidence-based strategy to create and cultivate inclusive work environments. Drawing upon the expertise of top researchers, practitioners, and professionals in our industry, we specialize in the engagement and mobilization of stakeholders in setting evaluation priorities and establishing clear programmatic goals.

We understand the importance of creating an environment in which there is **reciprocal learning** and **mutual respect** between our team and our clients, and pride ourselves on offering innovative solutions for client evaluation needs. Our work in urban and rural, as well as, domestic and international settings offer unique perspectives that will prove valuable for any organization engaging with communities.
